My Mother’s Garden

My mother kept a garden,

A garden of the heart,

She planted all the good things

That gave my life its start

She turned me to the sunshine

And encouraged me to dream,

Fostering and nurturing

The seeds of self-esteem

Her constant good example

Always taught me right from wrong

Markers for my path way

That will last a lifetime long

I am my mother’s garden

I am her legacy

And I hope today she feels the love

Reflected back from me.

(*foster = encourage ; nurture = care for ; legacy = property left by will)
